Hi all,

I can send around an outline of a one pager format we've used in the past and identify where each R5 and OAQPS can fill in the relevant details. I can get something out later today. **Deliberative Process / Ex. 5**

Thanks,
 Sara

Hi All,

Scott and I just talked and thought it would be a good idea have a pre-call prior to the Friday call Matthew Davis invited us to.

Attached are the latest Wisconsin recommendations for designating areas for the 2015 O3 standard, a letter from Wisconsin dated June 27, 2013 requesting EPA to "reconsider" the O3 nonattainment boundary for Sheboygan County for the 1997 and 2008 O3 standards, and a briefing paper developed in response to that letter.

I hope a half-hour will allow us enough time to cover all of this, it was the only time we all had open.

Doug
